

## The Outlet

By Andy Adams (1859 – 1935)

Andy Adams worked as a cowboy on trail drives from Texas for eight years. This is an account of a drive when he was the foreman of a herd of Texas cattle being driven to Montana. Expect the same quality writing as found in other books by Adams. (Summary by Richard Kilmer)

Read by Richard Kilmer. Total running time: 10:14:45
